

WEST COAST SWING with LYNNE STEVENS In POTTSTOWN

The next 5-week session of WCS classes at Ballroom on High in Pottstown starts MONDAY, JUNE 1. 7:15 to 8:15 -- Fundamentals, for newcomers AND experienced "Westies".

If you're new, it won't be intimidating. If you're experienced, you can work many areas of refinement to look really cool doing basics! Or, consider taking this class in the reverse role; makes a huge difference in your understanding of your dominant role, and your partner's role.

8:20 to 9:20 -- Syncopations: gotta know your 6-count and 8-count basics for this one.

We'll change some of the standard footwork to keep your dancing interesting and varied. These variations are usually done by each individual partner within the context of regular moves and patterns.

Please contact Faryl about registration faryl@swingkat.com, register at
